

DISPENSATIONAL THEOLOGY

Lesson 6

THE LAW

Exodus 19:1 – Mathew 27:50 & 51

Description: Scripture calls it the old covenant. (2 Corinthians 3:14-16; Hebrews 8:13;) Luke 22:20 Ended when the veil was torn in two and a new covenant was established, Luke 22:20. Romans 10:4 Christ is the end of the law to those that believe. The Passover had been installed just before the law was given. Lasted throughout the Old Testament and we see four things:

1. Israel is now a nation/tribe/group (no longer just 1 family)
2. God intervened to free Israel from the Egyptians
3. Passover initiated as a picture of what is to come. A lamb is slain, its blood is placed on the doorposts of your home. You and your family in the house are spared by the death angel. A clear picture of being in Jesus Christ, our sacrificial lamb. John 1:29 John calls Him the Lamb of God who “takes away” the sin of the world. Christ was crucified at the time of the Passover when the lambs were being killed in the temple according to the law.
4. Israel is in the wilderness (not the land of promise) with Moses
